08/09/2002	jdp	XC14	CHAP 10-14-TRASH,DEBRIS		inspected this property several months ago, house was vacant, left hanger, have never received a response. Received another call today from neighbor re: the standing water in the pond breeding mosquitoes and vermin harborage. Prepared a violation notice for the owner and asked inspector working north side on saturday to post it on the property and take photographs. compliance is 8/14/02. I also contacted INRECON to arrange for them to drain the pond and fill it to prevent standing water asap. Will mail a copy of the notice as well.
