Please see below, as we discussed earlier on the phone and my previous email, it is Protein Bar's responsibility to schedule inspections with Arlington County.

Please call me if you have any questions or concerns.

Thanks

Please see the email below from Arlington County Department of the Environmental Services which states that the Arlington County Construction Codes Supervisor said an inspection will be needed. Please have the tenant contact Emad Elmagraby at 703-228-7094 to discuss the issue and arrange for an inspection prior to close in.
